The City of Bones

City Centre

If only the walls could talk, what would they say?

Prepare yourself as you follow the trail within the City of Bones. Mesmerising projections, installations and guises to chill even the coldest of hearts, will tell the story of the history of the city and our very own Walter de Burgh. The lingering spirit of this starved knight will be welcomed by locals and visitors, as they embrace Samhain. Trail through Bishop Street, London Street, Pump Street, The Diamond and Shipquay Street and check out the many creepily captivating installations set to transform local landmarks.

Awakening the Walled City

The Forest of Shadows

Welcoming you with dancing flames and hypnotic, mesmerising displays, luring you into the depths of the forest. Beware of disorientating paths lined with shape-shifting creatures and shadows as the forest comes to life!
